SUBJECT: Special Use Permit #2016-0082
Administrative Review for a Minor Amendment
Site Use: Restaurant
Proposed Business Name: Namaste
Applicant: Namaste 2 F&B, LLC
Location: 1504 King Street
Zone: KR/King Street Retail

Request

Special Use Permit #2016-0082 is a minor amendment to SUP #2016-0052 for a request to add two delivery vehicles to an existing restaurant operation, known as Namaste Restaurant. The restaurant will continue to operate as a full-service restaurant serving traditional Indian dishes. The applicant proposes to maintain restaurant operations with the following parameters:

Hours of Operation: 11 a.m. – 12 a.m., Monday - Thursday
11 a.m. – 1 a.m., Friday - Sunday

Indoor Seating: 120 indoor seats.

Type of Service: Dine-in and Delivery.

Delivery: Two delivery vehicles proposed.

Alcohol: On-premises alcohol sales.

Live Entertainment: Limited live entertainment.

Employees per Shift: Ten employees per shift.

Noise: Minimal noise is expected. As the applicant proposes some live music they will be required to follow the City's noise ordinance.

Odors: Minimal odors from a restaurant use are addressed through proper ventilation.

Trash/Litter: All trash receptacles will be emptied into dumpsters located behind the restaurant.

Background

In November 1983 Planning Commission approved Site Plan #83-0042 for the development of an office and retail building with 45 parking spaces at 1500 King Street. City Council approved a restaurant use in December 1986 through SUP #1957 that included a condition requiring the lease of 31 off-street parking spaces between 6 p.m. – 1 a.m. in the parking lot behind the restaurant for patron use. In July 1991, City Council approved SUP #1957A which extended the daily hours of operation to a daily closing hour of 12 a.m., midnight. A minor amendment and change of ownership were administratively approved in June 2012 through SUP #2012-0022 to extend the closing hour to 1 a.m. Staff administratively approved change of ownership requests again in March 2014 through SUP #2014-0022 and in August 2016 through SUP #2016-0052 to the current applicant, Namaste 2 F&B, LLC. As the restaurant is currently closed an inspection was not completed.

Parking

Section 8-200(A)(8) of the Zoning Ordinance requires a restaurant to provide one off-street parking space for every four seats, therefore with 120 seats the applicant would typically be required to provide 30 off-street parking spaces. However, the applicant's restaurant is located within the boundaries of the King Street Transit Parking District which under Section 8-400(B)(8) waives the parking requirements for the first 10,000 square feet of restaurant located in an office building, therefore the applicant does not have a technical parking requirement for restaurant seats. The applicant maintains a lease for 31 off-street parking spaces located in the surface parking lot located behind the restaurant.

However, the applicant is required to provide one off-street parking space for each delivery vehicle and would therefore be required to provide two off-street parking spaces for their proposed delivery services.

Community Outreach

Public Notice was provided through eNews, via the City's website, and by posting a placard at the site. In addition, the Old Town Civic Association, Old Town Business & Professional Association, King Street Exchange Condominiums, 1600 Prince Street Condominiums, Upper King Street Neighborhood Association, 113 S. West Street Condominiums and the 1500 King Street Condominiums have been informed of the Minor Amendment request. Staff did not receive any comments from the public in regards to the Minor Amendment request.

Staff Action

Staff finds the applicant's request to add up to two delivery vehicles to be reasonable. The applicant has an established customer base in the area and has indicated that customers would like the option of delivery services to supplement dine-in restaurant operations. Staff has deleted Condition #14, previously prohibiting the use of delivery vehicles and replaced it with Condition #28 which allows the applicant up to two delivery vehicles which must be parked off-street when

in the vicinity of the restaurant. As the applicant has maintained 31 off-street parking spaces behind the restaurant, staff has amended Condition #7 to indicate that two parking spaces are to be used for delivery vehicles, and the remaining 29 spaces would be used for customer parking. Staff has also added Condition #29 requiring that the restaurant windows remain transparent to maintain an active street presence. Standard conditions to protect the environment were added, including Condition #30 prohibiting the use of detergents for exterior power washing; Condition #31 that requires a container with a roof for the outdoor storage of various materials; and Condition #32 which requires the storage of cooking oil in a secure vessel. All other conditions have been carried forward from SUP #2016-0052.

Staff hereby approves the Special Use Permit request.
